# Table of Contents

**Introduction** ..... **9**

**1 Test-taking strategies** ..... **13**

**2 Test-taking strategies and didactics of foreign languages** ..... **19**

**3 Second language acquisition theory and test-taking strategies** ..... **25**

3.1 Test-taking strategies and cognitivism ..... 25

**4 Language assessment** ..... **31**

4.1 The process of responding to a test task in relation to test validity ..... 31
4.2 Aspects of using multiple-choice question in language testing ..... 33

**5 Communicative competence model** ..... **39**

**6 Model of test-taking strategy use in the process of responding to a test task** ..... **43**

**7 Review of existing research** ..... **47**

**8 Research methodology** ..... **63**

8.1 Research gap, objectives, and research questions ..... 63
8.2 Research design ..... 65
8.3 Data collection methods ..... 67
8.4 The population and sampling ..... 72
8.5 Data collection ..... 77
8.6 Data analyses ..... 79

**9 Findings** ..... **85**

9.1 How do test-takers incorporate test-taking strategies into the process of producing responses to test items? ..... 85
9.1.1 Affective strategies ..... 86
9.1.2 Dealing with a test item ..... 92
9.1.3 The provenience of the strategies ..... 100
9.1.4 Individual differences influencing the choice of strategies as perceived by participants ..... 102

9.1.5 Item format and characteristics ..... 104
9.1.6 Task response process ..... 107
9.1.7 Strategy selection ..... 108
9.1.8 Review of significant findings ..... 109
9.2 The reported test-taking strategy use, differences between groups, and relationship between test-taking strategy employment and test scores ..... 111
9.2.1 Types of test-taking strategies test-takers reported using when taking English language reading and listening comprehension tests in accordance with *NATO STANAG 6001..... 111*
9.2.2 The relationship between the reported use of test-taking strategies and the receptive language skills tests results..... 115
9.2.3 The differences in the reported test-taking strategy employment between the test-takers who passed the tests and those who did not ..... 122
9.2.4 The differences in the reported test-taking strategy employment in tests of different levels of language proficiency ..... 130
9.2.5 The differences in the reported use of test-taking strategies depending on whether test-takers have attended an exam preparation course ..... 143

**10 Discussion ..... 151**

**11 Conclusion ..... 161**

**12 References ..... 165**

**13 Summary ..... 171**

**14 Resumé ..... 175**

**15 List of Figures ..... 177**

**16 Appendices ..... 179**
